Rebalancing due to passive breach

In accordance with Clause 3.6.7 of SEBI Master Circular dated June 27, 2024 in case of change in constituents of the index due to periodic review, the portfolio of the Scheme shall be rebalanced within 7 calendar/Business days. Any transactions undertaken in the scheme portfolio in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions replication of the portfolio with the index is maintained at all points of time

In the event of involuntary corporate action, the Scheme shall dispose the security not forming part of the underlying index within 7 calendar/Business days from the date of allotment/ listing.

Rebalancing of deviation due to short term defensive consideration

In the event of the asset allocation falling outside the limits specified in the asset allocation table, the Fund Manager will rebalance the same within 7 calendar/Business days. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme. Any alteration in the investment pattern will be for short-term defensive consideration as per Clause 1.14.1.2 of SEBI Master Circular dated June 27, 2024, the intention being at all times to protect the interests of the Unit Holders.

Tracking error

The Scheme, in general, will hold all the securities that constitute the underlying Index in the same proportion as the index. Expectation is that, over a period of time, the tracking error of the Scheme relative to the performance of the Underlying Index will be relatively low. The AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal market circumstances such tracking error is not expected to exceed 2% p.a. for daily 12 month rolling return. However, in case of events like, dividend received from underlying securities, and market volatility during rebalancing of the portfolio following the rebalancing of the Underlying Index, etc. or in abnormal market circumstances, the tracking error may exceed the above limits and the same shall be brought to the notice of Trustees with corrective actions taken by the AMC, if any. Since the Scheme is an Index fund, it will endeavour that at no point of time the Scheme will deviate from the index.

Terms & Conditions of Multi-SIP Facility

The Application Form should be completed in ENGLISH and in BLOCK LETTERS only.

1. This facility is not available currently with all Mirae Asset ETF schemes.

For further details on Fund Of Fund kindly refer the addendum uploaded on website, visit:

https://www.miraeassetmf.co.in/downloads/statutory-disclosure/addendum

2. Multi-SIP is a facility whereby the Unit holder(s) can register a One Time Mandate to debit their bank account for the sum total of the Multiple SIP(s) amount as applied for under eligible schemes. Cheque amount should be equivalent with total SIP(s)

instalment amount. For any mis-match in the amount application will be liable to be rejected. Under this application, the Investor authorizes the Fund and the bank to debit their bank account for payment towards various purchases through SIP instalments submitted through various modes offered or as may be offered from time to time by Mirae Asset Mutual Fund.

Please refer the "Minimum Application/Number of units" mentioned in the KIM under the section as Applicable to Eligible schemes under this Multi SIP Facility for minimum subscription amount and frequency. Default Option is Growth. In case of Income Distribution Cum Capital Withdrawal (IDCW) option, default option is IDCW-Reinvestment.

In case of ambiguity at Plan level, Application will be processed under Direct Plan as Default option.

Investor shall have the option of choosing any date of the month as the SIP date from 01st to 28th except the last three calendar dates 29th, 30th & 31st. If SIP debit date is not mentioned default date would be considered as 5th of every month. Even If the Investor selects or mentions the SIP dates as 29th, 30th or 31st, the default SIP date would be considered as 05th of every month only.

3. This facility is an authorization to the bank, as indicated by the Unit holder(s) in the OTM form, to debit their bank account up to a certain limit in a particular folio per registration per transaction, based on their instruction to the Fund, whenever they choose to invest or start a SIP.

4. Maximum amount per OTM is Rupees 1 Crore. Kindly ensure that the Max Amount mentioned has to be greater than the total SIP quantum applied for. Investors are requested to note that if OTM with similar bank account details is already registered under the folio, AMC will endeavor to register the applied SIP(s) with the already existing OTM subject to the total SIP amount (existing plus applied for) being under the maximum limit authorized. In any case, the higher of the max limit will be taken in to consideration.

If the unit holder(s) has changed the max limit amount, then the mandate will be registered as a fresh mandate with the revised details. Further, unit holder(s) will be able to register multiple OTM (up to 5 mandates) of different bank account numbers maintained with the same bank or different banks. If any OTM is submitted outside the already existing 5 mandates, the same shall be liable to be rejected.

5. Unless otherwise specified, the term 'mandate' in these terms and conditions refers to the specific bank and bank account number of the investor/s or unit holder/s as mentioned by them in the OTM form (mandate form) to be used for debits for payment towards SIP instalments.

6. Only 3 SIPs can be registered per Multi SIP application form. However, the Unit holder(s) can register multiple applications under the same OTM mandate registered for Multi SIP under the folio.

Time Gap for first SIP start date should be minimum of 25 Calendar days but not later than 100 calendar days. Applicant acknowledges that incomplete or ambiguous forms in any respect will not be processed & AMC reserves the right to reject such applications.

7. This facility is available to all categories of investors who are eligible to invest in the schemes of the Fund from time to time MAMF reserves the right to restrict or withdraw or discontinue the facility to certain categories of investors or to any specific investor anytime at its discretion without assigning any prior reason thereof.

8. Multi-SIP Application forms along with supporting documents can be submitted to Investor Service Centre of the AMC or the RTA – M/s Kfintech, contact details of which are available on www.miraeassetmf.co.in

9. Default Option is Growth. In case of Income Distribution cum capital withdrawal option, default option is Reinvestment of Income Distribution cum capital withdrawal option. In case of ambiguity at Plan level, it will always be under Direct Plan.

10. Applicant(s) also agree that if the transaction is delayed or not effected for reasonsof incomplete or incorrect or any other operational reasons, they would not hold AMC, their appointed service providers or representatives responsible.

Applicant(s) also undertake to keep sufficient funds in the bank account on the date of execution of the said standing instructions.

In case any payment instruction for SIP installment is dishonoured by the Bankers for 3 consecutive times for the reason Account Closed or Insufficient balance or any technical reasons as provided by NPCI/Aggregator, AMC reserves the right to terminate the SIP.

11. All future communication whatsoever would be, thereafter, sent to the mobile number and email id registered under the folio.

12. Investors are deemed to have read and understood the terms and conditions of OTM Facility, SIP registration through OTM facility, the Scheme Information Document, Statement of Additional Information, Key Information Memorandum, Instructions and Addendum issued from time to time of the respective Scheme(s) of Mirae Asset Mutual Fund.

13.
