Who We Are

“As a global financial group, Mirae Asset serves not only our clients but the broader society as well.
We want our company to display a unique and future-oriented philosophy that provides solutions for all of our stakeholders.”

Hyeon Joo Park, Founder & Global Strategy Officer

Greeting Remark for Mirae Asset foreign employees, 2018

Core Values

Clients First

Our clients' success is paramount – their success is our success. We build and nurture long-term relationships with our clients by using our proven investment strategies.

Objectivity

We assess every investment opportunity objectively and with total impartiality. Our independence sets us apart and helps ensure that our decisions are aligned with the needs of our clients.

Teamwork

Mirae Asset's success is built on respect for each individual. It is our aim to create a true meritocracy in which talent and achievement are rewarded and opportunity is equally available to all.

Citizenship

At Mirae Asset, we are profoundly aware of our responsibilities. As good corporate citizens, we aim to give back to the communities in which we live and actively support and participate in a range of initiatives within them.

Group Overview

Founded in 1997, Mirae Asset Global Investments is the asset management arm of the Mirae Asset Financial Group, one of Asia’s leading independent financial services companies.

Mirae Asset Global Investments- Venture Capital

- Technological innovation and ensuing structural changes have propelled economic prosperity throughout history and under the current business environment characterized by constant technological innovation, industry boundaries are being torn down. This is where Mirae Asset focuses, seeking to invest in and support category defining companies building a technology-driven future.
- Mirae Asset's primary objective is embedded in maximizing returns to investors throughout the entire investment cycle with active collaboration and support from Mirae Asset Financial Group's core affiliates. Our thought process with regards to venture capital investments is holistically guided by the three main pillars, amplifying its intrinsic nature of low correlation with other traditional asset classes.

Investment Capabilities Overview

We leverage our globally integrated platform and investment intelligence to provide clients with progressive solutions across all major asset classes and help them navigate a changing world.
