MILESTONE

PROUD TO REACH

₹1,000,000,000,000

OF ASSETS UNDER MANAGEMENT.

WE THANK EACH ONE OF YOU FOR YOUR TRUST AND SUPPORT.

Dear Investor,

They say the journey of a thousand miles begins with a single step.
Yes, but it also begins with clarity, a goal in mind and a route to reach the destination.

Mirae Asset began its incredible journey in India in 2008 and we are proud to be standing at a Trillion Rupees in 2021. A phenomenal progress story that has made Mirae Asset one of the fast-growing financial companies in the country.

2021 marks a momentous year for Mirae Asset Mutual Fund in India as we cross the important threshold of INR 1 Lakh crore (1 trillion rupees) (as on 14th October 2021). I would like to express my utmost gratitude to you for your support in this journey.

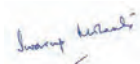

This important milestone of Rs. 1 Lakh Crore will always remain valuable in our journey as we have sought this position by risk management framework and customer centricity. This has been essential factor in winning your trust.

We are pleased to update you that we have also witnessed a significant surge in the number of new clients with the investor folios crossing 43 lakhs [with close to 15.47 lakh Systematic Investment Plan (SIP) folios] as on September 30, 2021. The SIP flows have also grown significantly with monthly inflows of Rs.796.35 crores as on September 30, 2021. We are extremely happy to see the faith in us growing amongst advisors and investors. The AMC is charting the future growth strategy with focus on fixed income and passive offerings, along with equity where it has already created a strong foothold.

Mirae Asset Group is committed for the long-term growth in Indian markets. With their aim of becoming a leading player in asset management business the group has also increased footprints in other financial verticals – Broking, Lending (NBFC), Private Equity, Real Estate and Alternate Product space and the firm continues to expand its product offering across asset classes.

Our passion to grow has only got stronger with time. We appreciate and value you all.

Our dream is not ours alone. It is a reality today because of each one of you.
We thank you a trillion times and look forward to many more such achievements in the future.

Swarup Mohanty
