Venture Capital

Technological innovation and ensuing structural changes have propelled economic prosperity throughout history and under the current business environment characterized by constant technological innovation, industry boundaries are being torn down. This is where Mirae Asset focuses, seeking to invest in and support category defining companies building a technology-driven future.

Mirae Asset's primary objective is embedded in maximizing returns to investors throughout the entire investment cycle with active collaboration and support from Mirae Asset Financial Group's core affiliates. Our thought process with regards to venture capital investments is holistically guided by the three main pillars, amplifying its intrinsic nature of low correlation with other traditional asset classes.
