Aggressive Hybrid Fund - An open ended hybrid scheme investing predominantly in equity and equity related instruments.

What are Hybrid Funds?

What are Hybrid Funds?

Hybrid Funds invests in more than one asset class predominantly Equity and Fixed income and can be categorized based on asset allocation strategy of the Fund.

There are two different types of Hybrid funds based on asset allocation

- **Static Allocation:** Fund's asset allocation is predefined irrespective of changing market conditions
- **Dynamic Asset Allocation:** Asset allocation varies depending on different fundamentals as well as quantitative indicators.

Asset Allocation – Key for better performance

Driver of Investment Result

Key points

Investor spends too much time/focus on trying to “Time the Market” which yields less than ~2%, while ignoring Asset Allocation which constitutes more than ~90% of the investors returns

Asset Allocation Outperforms in long term

- Impossible to predict which Asset Class will outperform – Winners keep on rotating

Year on Year Performance

- Asset Allocation remains the middle way to give equity linked returns with much lower volatility

CRISIL Hybrid 35+ 65 Aggressive Index	246%	0.57%
Nifty 50	232%	0.89%

- **Tax Efficiency:** as rebalancing individually between asset classes can attract long term or short term capital gain tax

Systematic Withdrawal Plan (SWP) – A good alternative to meet Regular payout needs

The elimination of Dividend Distribution Tax (DDT) puts more money in the hands of the investors and also removes the incidence of double taxation - DDT is first applied when the dividend was received by the mutual fund, and then when it is passed onto the investor.

SWP

Allows redemption of fixed amount of the investment from the mutual fund at a pre-determined frequency

Design and customize the amount and timing of cash flow in sync with the requirement

Has favorable tax treatment compared with IDCW Plan

IDCW Plan

Dividend amount is not guaranteed

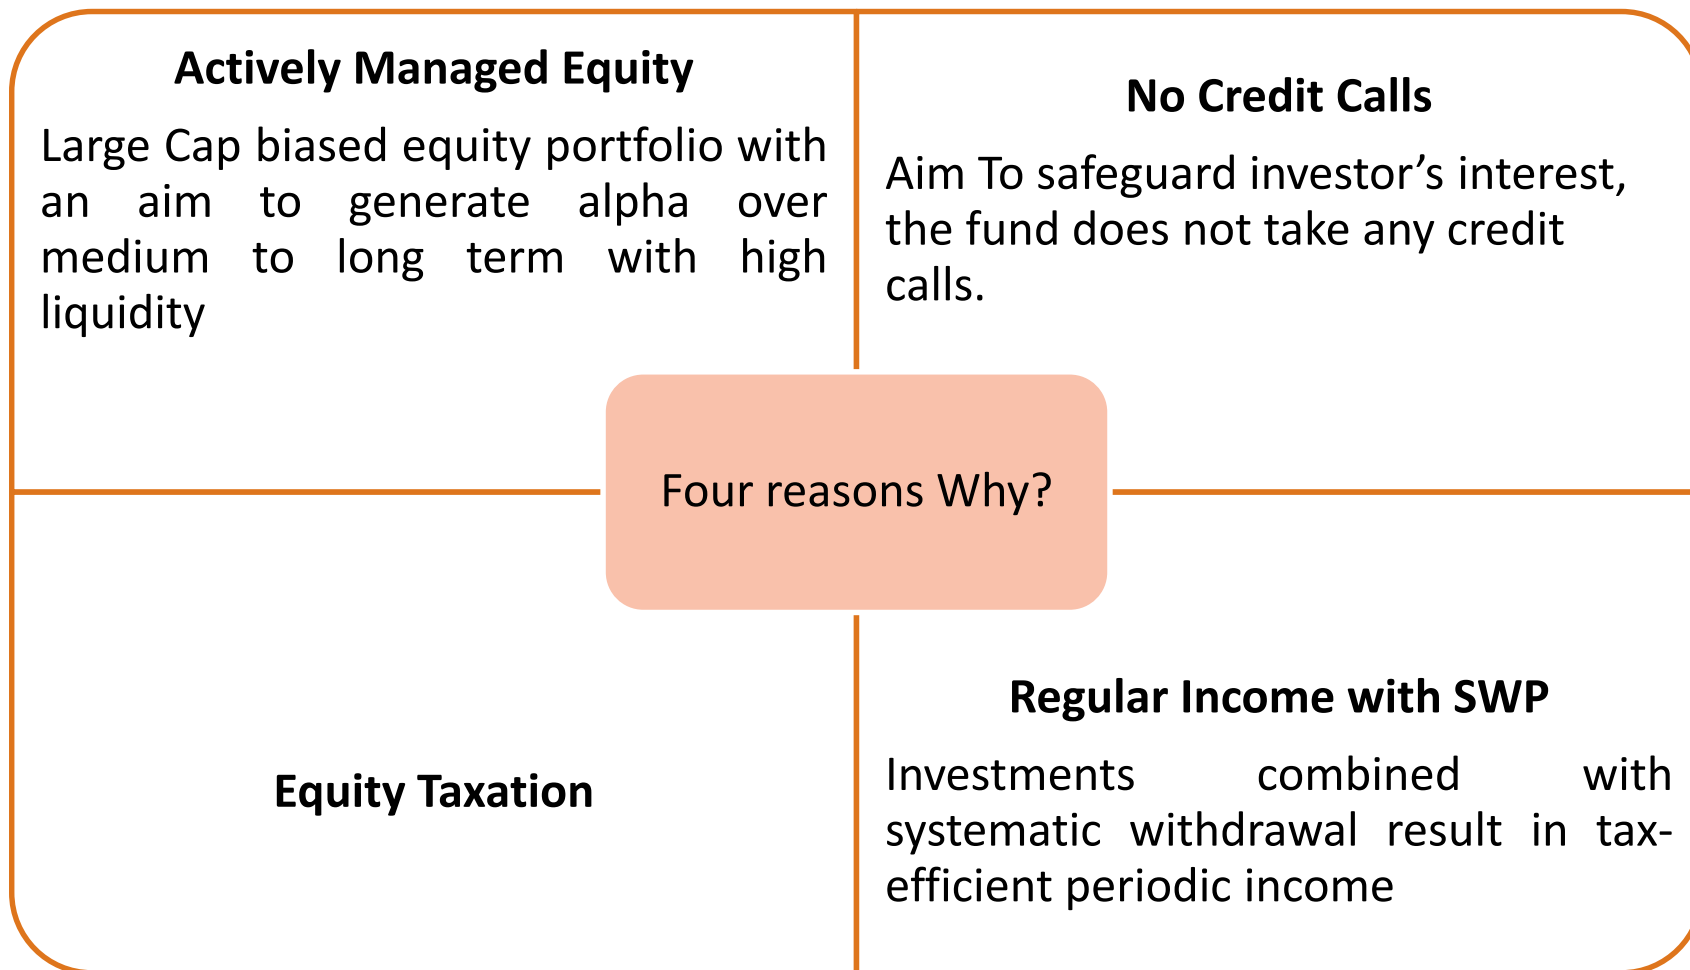

Dividend is based on the discretion of the fund house

DDT has been abolished, but dividend is taxable in the hands of the investor at applicable tax rates

Map SWP with your financial goals

- **Get regular income to meet post retirement requirement**
- **Payment of children's tuition fees**
- **Equated monthly installment for car, personal or home loan**
